WORK EXPERIENCE
3 YEARS

COURSE DESCRIPTION

The Bachelor of Arts- Philosophy is an undergraduate degree in the arts/social sciences or natural sciences that is research-based and individually tailored. Each semester, students take supervised research courses, known as Advanced Studies Courses, with researching academics, often one-on-one. BA Students who are brilliant or critical thinkers should study philosophy. The course introduces students to the fundamentals of Indian and Western philosophy. Philosophy is a branch of study that looks into fundamental questions about human existence. It is interested in human comprehension, moral and scientific reasoning, art, and society. This course is required for law, business, and public administration careers. Students who are interested in a course should think about pursuing a Bachelor of Arts in Philosophy in the arts. The program teaches students how to think critically and analyse data. This course will teach students how to analyse and frame arguments, write clear and persuasive arguments, and understand new ways of thinking. The focus of the course is on human life and its complexities. It offers profound insights into living a healthy lifestyle.
