COURSE DESCRIPTION

B. Com in Finance is a three-year undergraduate degree that studies security analysis, derivatives markets, financial management, risk management, and many other topics. The course's main goal is to train students in both theoretical and practical aspects of team spirit, as well as good communication and interpersonal skills for dealing with financial problems in the financial world. There are a million job opportunities available for B. Com Finance graduates in the finance sector, and graduates are preferred everywhere, including private and public sectors. Finance is becoming more popular. Graduates of the B. Com in Banking and Finance programme can find employment in a wide range of settings, including banks, business schools, credit organisations, consultancies, economic consulting jobs, Indian civil services, health departments, and the insurance industry.
