COURSE DESCRIPTION

Human resources (also known as HR or human resource management) is a vital area of business that facilitates and executes the hiring, retention, training, and development of a company's employees. The human resource management degree, which is available in both online and on-campus formats, builds on good people skills and the ability to communicate effectively, and then progresses to a functional understanding of the key role the human resource manager plays in the development and retention of a company's most important assets. People are the most valuable asset, and effective human resource management is essential to any business strategy. Human resources are a developing field that affects all types of businesses and industries. According to the US Bureau of Labour Statistics, The US Bureau of Labour Statistics forecasts 7% growth for HR managers and specialists from 2018 to 2028.
