## COURSE DESCRIPTION

Diploma in Graphic Designing is a specialized program that focuses on the study of the principles and practices of graphic designing. The course provides a comprehensive understanding of the various aspects of graphic designing, including typography, illustration, branding, and user experience design. Students also gain hands-on experience through practical sessions, design projects, and fieldwork to develop their skills in graphic designing. Upon completion of the course, graduates can pursue a career in various industries, including advertising, publishing, and digital media. Graduates can also pursue higher studies in graphic designing and related fields.
